

What uses do you as an individual or family currently use the Hall for?

What uses have you as an individual or family used the Hall for in the past 10 years?

Apart from/in addition to existing uses, what uses might you like to see in the future?

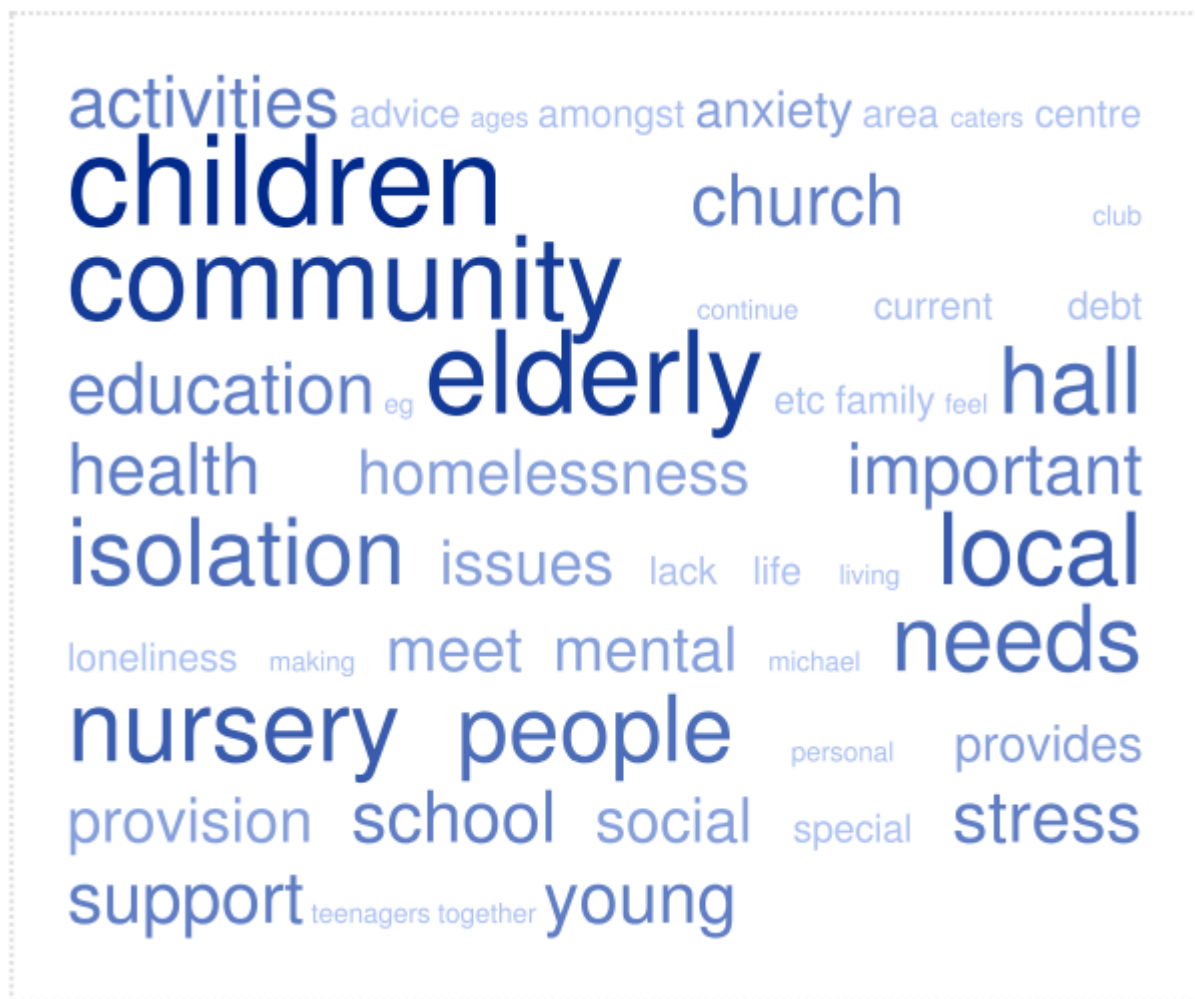

What existing facilities of the Hall could be improved?

What facilities not currently present might you like to see as part of the project?

access already although area audio baby  
better catering changing  
children community covered dance  
disabled enhance equipment etc  
facilities flexible floor functions general groups  
hall improved kitchen large  
lighting loos meeting modernise needs none  
nursery perhaps projector regular  
room school screen sound space stage  
storage system toilet used user wall  
wifi

What wider needs and social issues in our community and perhaps further afield are important to you?

How might the project take into account and/or serve those needs?
